PROFESSIONAL EXPERIENCE

Ranger Equity Investments

Toronto, ON

Equity Research Associate - Industrials, Materials, Energy & Utilities

Jan 2026 – Present

- Conducted company and industry analyses using Bloomberg & Capital IQ to assess competitive position and market trends.
- Built detailed interconnected financial models in Excel: DCF, Comps, and Precedents, and wrote 20+ page investment reports.
- Monitored market to summarize trends, competitive changes, and industry developments, delivering weekly news updates.

Toronto 2025 AI Conference, BMO Lab @ UofT

Toronto, ON

Finance and Operations Assistant

Aug 2025 – Dec 2025

- Organized a global interdisciplinary conference titled “Who’s Afraid of AI?” for 1000+ attendees. Multi-tasked to coordinate travel, stay, and venue logistics for 15 high-profile speakers from 7 countries ranging from Nobel Laureates to BAFTA winners.
- Managed stakeholders with competing priorities from corporate sponsors (AXL.vc, CIFAR, etc.), speakers, and university finance department to deploy a \$150,000 budget under tight deadlines, ensuring all payments were completed on schedule.
- Collaborated cross-functionally in a fast-paced environment to execute event-day logistics viz. ticketing, registration, moderating Q&A between audience and panel, ensuring operational success across 9 plenary sessions spread over 2 days.

Thinkuvate (VC)

Singapore

Investment Analyst Intern

May 2025 – July 2025

- Assessed investment worthiness of 8 startups by analyzing macroeconomic trends, business potential, & competitive landscape.
- Conducted in-dept market research and delivered due diligence collaterals for 3 startups to attract funding of ~\$2MM.
- Led launch of a new multimillion dollar DeepTech fund by evaluating information on tech landscape, macroeconomic dynamics, and benchmarking of similar funds; synthesized research into storytelling through PowerPoint to obtain management approval.

Foord Asset Management

Singapore

Equity Analyst Intern

June 2024

- Evaluated Cummins (NYSE: CMI) as a Buy/Sell opportunity through rigorous financial modelling and qualitative analysis. Recommended ‘Buy’ basis investment thesis; CMI hit the target price of 30% upside within 6 months of recommendation.
- Streamlined decision-making by developing an ESG Decision-Making tool to evaluate Foord’s holdings using ESG metrics from Bloomberg. Reduced time for Hold vs Sell decision against Foord’s ESG benchmark by 80%.

EXTRA-CURRICULAR ACTIVITIES

Investa Insights – University of Toronto Chapter

Toronto, ON

Junior Analyst

Nov 2025 - Present

- Competing with top students from 10+ Canadian universities to present a Buy pitch on Waste Management (NYSE: WM).
- Proactively led weekly strategy sessions and established internal milestones to synthesize individual analyses of 5+ members into a unified investment thesis, ensuring a cohesive narrative across valuation, risks, and catalysts.

Capital Markets Accelerator Program

Toronto, ON

Mentee

Aug 2025 – Present

- Selected among 20 elite students (out of 100+) in an exclusive 8-month program; undergoing rigorous technical training to refine capital markets proficiency, develop market-tracking skills, and master professional conduct and communication skills.
- Directed development of high-stake pitches for competitions under tight deadlines, by delegating tasks and implementing a rigorous cross-review system thereby ensuring on-time completion with 100% data accuracy and narrative cohesion.

Rotman Commerce Students’ Association

Toronto, ON

Manager of Events (Incoming Director of Finance)

Oct 2024 - Present

- Organised and Emceed the Charity Trivia Night, using strong communication skills to deliver a lively and engaging experience to 35+ attendees; event success and overwhelming positive feedback led to RCSCA reinstating the event for future years.
- Managed food, outreach to various stakeholders, ticketing and sign-ups, and other logistics to organise monthly events for RC.

Movement for Intellectually Disabled of Singapore

Singapore

Student Head and Community Volunteer

June 2024 – Aug 2024

- Volunteered to engage with people with intellectual disabilities by planning weekly sessions, creating a supportive, trustworthy, and interactive environment, adapting sessions based on client’s responses, resulting in clients enthusiastically expecting the visits.
